A number of refugees has increased since Obama became the President. States across the country were filled with flows of refugees since Obama became the President. The U.S. refugee admissions database [wrapsnet.org](http://wrapsnet.org) states that 437,829 new refugees came to the USA since Obama first took office. Most of them were placed in Texas (46,351), California (44,162) and New York (26,293). Many of refugees were placed in Ohio (14,855), Florida (21,613), Virginia (9,395), Colorado (11,300...
